

Meet Heidi Hagger.

Heidi was looking for support with her yoga and pilates business.

She received **FREE** 121 advice and attended **FREE** training courses.

“

The Get Enterprising programme has helped me, particularly with bookkeeping, marketing and setting-up. I wanted to balance my business around my kids, and I'm passionate about health and well-being, so the advisors really helped me!

Meet Stephen Spencer.

Stephen was looking to start his voiceover service business.

He received FREE 121 advice and attended FREE training courses.

“

By having someone to touch base with and clarify the steps that I was taking, it saved me a substantial amount of time feeling my way through in the dark.

”

Stephen Spencer Voiceover

Let's talk to Alex Winters.

Alex wanted to tailor an experience for customers from start to finish with a small local business that really cared about people.

He received FREE business advice.

“

I had 121 advice with business advisor, Mick Dobson to understand how to expand my business. I have future plans to take on more staff, and offer apprenticeships to train the next generation of installers.

”

Libtek Heating & Renewables

Meet Louise.

Being creative, Louise wanted to design costumes for the Notting Hill Carnival.

She got access to **FREE** training, downloads and 121 advice.

“

It's shown me that I am an entrepreneur. I can be a Mum and run my own successful business. I have the confidence to market my costumes, set-up photoshoots and arrange everything in support of my business.

”

Infinite Mas

Let's talk to Karren.

Understanding the importance of pets in our lives, Karren wanted to bring together the health benefits, behaviours and connection of pet ownership with wellness and training for humans and animals.

Karren got access to **FREE** 121 business support.

“

I received valuable advice and practical steps that I can use to take forward my business. My advisor, Matt has given me business support and we've brainstormed processes.

”

Heads N Tails

Let's talk to Leon Pein.

He saw his Jewish community wanting to eat organic foods, but having no providers of organic Kosher meat. He needed help in building his business.

“ I’ve had great access to information through the Get Enterprising programme delivered by Wenta.

I’m planning to integrate and bring the whole supply chain in-house - the advice and support has given me the confidence to plan this properly!

”

Biblical Foods

Let's talk to Valter.

He wanted to start his own business using his passion for technology and a dream to create something truly meaningful.

“

I've had training through webinars, which has been free through the Get Enterprising Programme. As a start-up, I was looking for assistance which led me to Wenta.

”

White Arrow Technology Limited

Meet Hannah.

As a personal trainer, Hannah wanted to develop a new brand.

She had access to **FREE** training, downloads and 121 advice.

“

121 business advice isn't someone telling you what to do, it's like mentoring. The advisors provide you with the support you need to make your own, informed decisions about your business. They give you the confidence to move forward.

”

Active in the Office

Let's talk to Esher Williams.

Having a desire to have a positive impact on her community, she wanted to address an important subject: racism.

“

I was starting my own business whilst being a single mum and didn't know where to start to bring my vision to life. It was daunting!
I reached out for a consultation and then realised the great support available through the programme.

”

Anti-Racism Hub

Let's talk to Debbie.

A qualified Dance Movement Psychotherapist, she wanted to use her skills to help the local community, so needed help in setting up a Community Interest Company (CIC).

“

I was clueless about how to properly run a business, particularly the finance side of things, so I joined the Get Enterprising Programme to guide me through my business's first year.

I'm about to file my first company accounts, and I feel confident about it. I also did a bit of rebranding recently, and I don't think I would have had the confidence to tackle that had I not had support from Wenta.

”

Respair

Let's talk to Holly and James.

They were looking for a way to develop their side-hustle because starting a business isn't easy! Amongst other things, they really needed support with their tax returns...

“

The free training courses have been great - it's not as if you're taught things like managing taxes at school!

We've had so much support with all aspects of developing our business that's helped us get to the next level.

”

HKR Gifts

Let's talk to Leon Walker.

With a love for helping (business owners) people, Leon had a great idea but wanted support in creating a business strategy, outreach, social media and website optimisation! Through Get Enterprising, he got all this and more.

“Wenta gave me guidelines and a structure to follow that is easy to implement into my business, and I know there's a vast amount of knowledge and support available for growth opportunities that I have yet to tap into!

Get Enterprising will continue to be an important part of my business.

”

Rutspin Ltd.

Meet Zoe.

She had a deep passion for creativity and knew she wanted to work for herself, but didn't know how to become self-employed.

“

The support I have received has been amazing and has really helped me with growing my business. There is so much free advice from free webinars so that I can develop and enhance my skills, scale-up and grow my business.

”

Wildest Dreams Flowers

Meet Lou.

She was looking for support to improve her website, and improve her online profile. She heard about the free programme through her local council, Welwyn Hatfield.

“

The programme has had a big benefit, helping me get a blog launched, and a new look website which has improved the business online profile.
